

CREATE IBM WATSON IOT PLATFORM AND DEVICE

The screenshot shows the IBM Cloud catalog page for the Internet of Things Platform. The page is titled "Internet of Things Platform" and includes a description: "This service is the hub of all things IBM IoT, it is where you can set up and manage your connected devices so that your apps can access their live and historical data." The page is divided into two tabs: "Create" and "About". The "Create" tab is active, showing a table of pricing plans. The table has three columns: Plan, Features, and Pricing. The "Lite" plan is highlighted, showing it includes up to 500 registered devices, a maximum of 200 MB of each data metric, and is priced at "Free". The "About" tab is also visible, showing a summary of the service and a "Sign up to create" button.
